

5 - PERFECT DANCER

(T&M: SÖREN SCHRÖDER, SOLO: ESTHER JUNG)

STROPHE 1

Tonight made up and dressed
Finest selection start to contest
Heavy weapons ready and armed
Bullet proof from seductive charme

Polished ground beneath the sole
Heartbeat out of control
Shoes tightened up – been workin' like ants
Getting ready for the final dance

Oh... Close and closer almost one
Oh... Not unloosing 'til we see the sun

REFRAIN

My perfect dancer in my dancing show
I wanna find the answer, yeah, I wanna know
Are you the greatest writer for the book of love?
Give me more I can't get enough

STROPHE 2

The stage is yours from side to side
Moves reign – they were flyin' high
Body's shaking from top to ground
In every motion you make me feel the sound

Oh... Close and closer almost one
Oh... Not unloosing 'til we see the sun

REFRAIN

My perfect dancer in my dancing show
I wanna find the answer, yeah, I wanna know
Are you the greatest writer for the book of love?
Give me more I can't get enough

Oh... Close and closer almost one
Oh... Not unloosing 'til we see the sun

REFRAIN

My perfect dancer in my dancing show
I wanna find the answer, yeah, I wanna know
Are you the greatest writer for the book of love?
Give me more I can't get enough

You are the perfect dancer and I won't pretend
I wanna dance with you forever till the end
Turn me 'round and 'round and lift up
Be the writer... of my book of love
